## A SPUNKY LITTLE TOWN WITH A SANDY BACKYARD.

**WELCOME!** You're going to love our island. Our town. Our little edge of Texas. You're probably going to find one or two or three things that will make you want to come back over and over again. Anglers think they've gone to hook and line heaven. Birders discover winged multitudes. Kids get so much beach and water and fun they forget everything with a digital screen attached to it. There's shopping from fine to funky, gulf charters, acres of challenging, beautiful golf and plates and plates and plates of food. And when the sun goes down, we turn on the lights and go dancing! Port A will charm and entertain you and not make you work too hard at enjoying yourself. Our ferries don't just bring you to another little coastal town.

They bring you to *Texas~Island Style.*
